Dear Parent/Guardian,

It is with deep sadness that I write to inform you of the tragic loss of two Year 13 students from The King's School, Grantham, who were involved in a fatal car accident in the early hours of Friday morning.

This news has come as a profound shock to our school community, and our thoughts and heartfelt condolences are with the families, friends of the students and all members of The King's School community at this incredibly difficult time.

We understand that this loss will affect many students and families in different ways and would encourage you to talk to your students about this at home where you feel this is the best course of action.

In response to this tragedy, additional support will be available in school to any student who needs it. We particularly encourage our Years 12 and 13 students, who may be feeling this loss most acutely, to come in if they feel they need support. Members of our pastoral and counselling teams will be available throughout this week to offer comfort and guidance.

We are committed to supporting our students and community through this time of grief. Please do not hesitate to contact the school if you feel your student needs additional support or if you have any concerns.
