Dear Parent/Guardian

UK Universities & Apprenticeship Search Fair - Leicester Tigers Stadium, Leicester, Tuesday 30th September

We are very pleased to be able to offer the opportunity for all Year 12 students to attend a University and Apprenticeship exhibition at Leicester Tigers Stadium on Tuesday 30th September 2025. The exhibition will give students the option to explore a variety of post-18 providers in one setting and so is a chance to speak to university admissions staff and subject specialists. There will also be representatives from apprenticeships as well as careers advisors. Exhibitions are designed to help students 'kick start' their future and are geared towards giving them practical advice on what their options are, and how to get where they want to be. For those who already know that they want to progress to higher education, exhibitions are an opportunity to discover more and find answers to their burning questions.

Coaches will leave school at 9.15am and return at approximately 3.00pm so students will be expected to attend registration. It is advisable that they bring a packed lunch.

The only cost associated with the trip is the provision of transport and we request a £9.60 contribution towards this from each student attending. Payment has been set up to be available through Wisepay our online payment system. Please contact Mrs Singer, in confidence, if you have any queries about the trip or difficulties with this payment.

Once payment has been made, each student will need to register and print their ticket (or download it to their phones) by following the link to the UK University Search website which will be sent to students via their school email once payment is received. This will ask for an email address so students can receive information from exhibitors; we recommend that all students register using their school email account.

Please make payments by 22nd September 2025.

By making payment you will be consenting to the student participating on this visit.
Please ensure that medical information is up to date and any amendments can be made through MCAS.

In summary, things to do to secure a place on this trip:

1. Make payment online
2. Check medical information is correct on MCAS and amend if necessary
3. Download ticket from UK University Search website

Yours faithfully

S.P. Macpherson
