## **A level Examinations and Year 13 Attendance Summer 2026**

Dear Student/ Parent/ Carer

As the external exam period gets closer, we wish to inform you of our plans to support our A level students. We hope that you will assist us in our efforts to minimise the stress often associated with external exams.

Subject departments have planned to complete the delivery of their exam specification allowing plenty of time for reflection, review and revision.

### **11<sup>th</sup> – 22<sup>nd</sup> May**

Lessons continue as normal for most. Some Year 13 students will have A level examinations during this period. If they have an afternoon examination, students may wish to take the morning to prepare either at home or in the Silent Study room. Similarly, they may wish to take the afternoon immediately before a morning examination to prepare at home or in Silent Study. Parents should inform Sixth Form Absence of any session's students will miss by being at home to study and students should register with Mrs Singer if they are working in Silent Study who will inform their usual teachers.

Students will continue to attend lessons during this period unless they have completed their final examination in that subject. This is to allow supported revision and effective teacher-led preparation for individual examination papers. It is our hope students will make good use of the staff available and quiet supervised classrooms.

### **23<sup>rd</sup> – 31<sup>st</sup> May**

½ term

### **1<sup>st</sup> – 5<sup>th</sup> June - A LEVEL POWER UP WEEK**

Week commencing Monday 1<sup>st</sup> June, the timetable for Year 13 will be collapsed to offer dedicated days for study in subjects with examinations that week. Some normal Year 13 lessons will take place where they can be staffed, but priority will be given to the power up sessions. Students should attend these sessions where they can and should speak to their subject teachers directly about which normal timetabled lessons will be going ahead. If students are in school and need a place to study, they should use the Silent Study room. The programme for Power Up Week is attached to this letter. Rooming's and staffing will be issued to students before the half term break.

### **8<sup>th</sup> June onwards**

From this date, if students are not in school it will be assumed they are revising at home. Subject teachers will be available in the usual classrooms during timetabled lessons up to the last examination in each subject to offer support.

Morning registration will take place daily until the end of the examination period on 18<sup>th</sup> June. This is for any students in school at this time or those who may choose to revise at school.

Headteacher: Mr J Fuller

Students must sign in and out diligently during the examination period as they may be coming and going during the school day. They should go to registration and their usual lessons/rooms if they are in school and not in an examination. **It is important that they are reliable with this for safeguarding and health and safety reasons** - if students are at school, we need to be able to locate them.

There is an examination contingency day on **Wednesday 24<sup>th</sup> June** and all candidates should be available on this date.

## **EASTER REVISION SESSIONS**

A number of subject staff are offering some revision sessions during the Easter break. There is a timetable attached to this letter. We would very strongly recommend students attend where possible.

## **RESULTS DAY 2026**

A level results' day this year is **Thursday 13<sup>th</sup> August 2026**. This is the date on which results from all examination boards for A level subjects are available from KGGS.

We suggest that all our Year 13 students make arrangements to arrive at KGGS by 8.30am and the staff present will issue results in the common room as soon as possible.

If you are unable to collect your results in person, you should either leave a stamped, addressed envelope with Miss Edwards, our Examinations Officer for posting, or give her a letter, signed by yourself naming someone to collect them for you on the day. Please make it clear to that person that photographic proof of their identity will be required and that they should go to main school reception. You will need to organise this by the end of term on Friday 17<sup>th</sup> July 2026. Please note that we do not give out results over the telephone or via email.

It is advisable for all Year 13 students waiting for confirmation of a place in higher education to log on to UCAS track before coming into school as most universities will already have updated this system. The university that is confirming a place will change their offer from 'conditional' to 'unconditional' so students will know whether or not their place is confirmed. Students should not worry if this has not happened as not all universities manage it in time. There will be very heavy traffic on the UCAS website so patience may be necessary.

Mrs Macpherson and Mrs Turner will be available on results day to help guide and advise if things don't quite go to plan. It is very useful if students can ensure that they have the telephone numbers of both firm and insurance choices programmed into their fully charged mobile phone, and their UCAS reference number to hand.

Due to the large number of students collecting their results on this day, we would be very grateful if relatives and friends accompanying our students could remain outside Harrowby House. We ask that the car park be reserved for staff on this day as usual.

## **LOCKERS**

Lockers should be cleared by Friday **22<sup>nd</sup> May 2026**, any contents found after this date will be disposed of.

## **ACCOUNTS**

Please try to run down student accounts over the assessment period. To make arrangements for the transfer of any positive balances, please contact our finance department.

## **RETURN OF TEXTBOOKS**

Textbooks should be returned to the relevant subject department on the day of your last examination.

Thank-you for your co-operation and good luck.

Yours sincerely
