A-level Examination Results – August 2022

We are delighted to announce a fantastic set of results for our students in their A levels this summer. The students have worked incredibly hard alongside their teachers, demonstrating superb tenacity and ability to achieve highly in their qualifications. We hope that these results act as a springboard to further achievements and successes in university, apprenticeships, employment and beyond!

Headteacher James Fuller commented: "We are immensely proud of the achievements of our students, after significant disruption to their studies as a result of Covid. They, and our staff, have worked tirelessly to ensure they have progressed on to further education, study and employment. On behalf of our school community, I wish them all the best for the future and look forward to hearing about their future success."

Overall, academic attainment was very high with 42.5% of the A-Level grades awarded at A*-A and 79% between A*-B, 27 students gained at least 3 A grades with the sixth form recording an overall pass rate of 99.8%.

A big congratulations to all our students – Well done
