Dear Parent/Guardian(s)

Year 7 Information Evening Wednesday 28th September 4-30pm - 6-30pm Roberts Hall

Now that your daughter has been here for a few weeks I hope that you would like to visit the school again to meet your daughters' form tutor and to attend a presentation where we will be explaining the way we will be tracking your daughter's progress across all of her subjects during the coming year. We will also be sharing with you some of the details of the subject content for Year 7 courses, and the system that we use for assessing both attainment and effort. We have also asked a member of staff to inform us about e-safety on this evening as we feel that this is a very important aspect of our safeguarding education. Timings for all of the above are as follows (approximately). All students are expected to attend in school uniform.

4-30 – 5-30	Parent & daughter tour of the school & meet in Roberts Hall with the Tutors
5-30 – 6-30	Curriculum Presentation & E-Safety Presentation

This is not a subject consultation evening, and so your daughter's subject teachers will not be in attendance.

I look forward to seeing you on the evening if you are able to attend.

If you are able to attend please complete the Microsoft link below by Monday 26th September.

The school car park will be full of staff cars at the end of the school day so please do not attempt to park there, you will not be admitted. The nearest parking is available at Welham Street Car Park which is a five minute walk away from school. We have had many complaints from our parents and members of the public as, on these busy occasions, cars are parked on the pavements on both sides of Sandon Road which has meant that sometimes wide vehicles have not been able to get through. Therefore, if you choose to park near school please park safely and legally. We have been informed that parking will be monitored by the Police.

Please contact the main reception before the event if you have any additional access needs.

Yours sincerely

D Walker
