September 2022
Year 12

Dear Parents

I am writing early in the new school year to tell you about some important dates for Year 12 that I hope will be of interest. You will be reminded of these dates by specific letters and information on the School website nearer the time of the events, but may wish to note some of the following in your diary now. Please find events on reverse of this letter.

PSHE Details

Guidance lessons in KS5 centre around the transition into the 6th Form. We then spend a great deal of time focusing on informing students about their Post 18 Options. We take students through the process of applying to Higher Education institutions, which the vast majority of our students wish to do, and also work with students who wish to pursue alternatives on a one to one basis. We also consider aspects of health, safety, employability, positive mental health and beginning to drive which will be factors affecting all of our students. They also have external speakers on topics such as Breast Cancer Awareness, HIV, road safety etc.

Our curriculum at KGGS includes:

- The *Formal Curriculum* - a three-year KS3; two-year KS4; and two-year KS5, featuring a wide range of subjects and courses taught in lessons.
- The *Wider Curriculum* - including extra-curricular activities and clubs; out-of-lesson learning and support; educational visits; wider reading initiatives; competitions and challenges; sports fixtures; charity work; assemblies; and thoughts for the day.

For more information about what is taught in each subject from Year 7 to Year 13, and the assessments scheduled to check students' understanding, peruse our Subject Curriculum Maps, which can be found on the curriculum pages of our school website:

<https://www.kestevengrantham.lincs.sch.uk/curriculum-map/>

Students taking peripatetic music lessons during the school day are expected to perform in school productions.

Our aim is to ensure that your daughter makes the decisions that are right for her during her time in the 6th Form. If, you have any concerns please contact us at school (01476 563017). Most matters can be resolved by a telephone call but an appointment can be made to see me if this is necessary.

We look forward to a successful year.

Yours sincerely

Mrs N Elliker
