CONGRATULATIONS ON YOUR GCSE RESULTS! What happens next?

Current Year 11 students - Want to stay at KGGS?

You need passes at Grade 4 or above in English Language (not English Literature) and Mathematics, and at least **six** GCSE passes at Grade 5 to 9.
If you have the above, you will have a place to study A levels with us. But in addition, you will need:

- A Grade 6 or above in the subjects you wish to study at Advanced level.

Please note that some A level subjects have a requirement for attainment in more than one GCSE subject. Refer to the A level course booklet for specific information (on our website).

If you have not met these additional criteria for one or more of your subject choices or have changed your mind about your A level subjects don't panic. We are sure we will be able to reach a solution in consultation with you.

The process for this starts on **Monday 4th September** so that it is fair to everyone, and you will need to come in and speak to us. You do not need to attend if your choices haven't changed, and you have met all the criteria.
Session start times in the Sixth Form Common Room on Monday 4th September:
11A, 11R, 11P 1pm–2pm 11Bg, 11Bt, 11E 2.30pm-3.30pm.

In the meantime, have a good think about what you have achieved so far and what your next steps might be.

If you still wish to speak with a member of staff, both Mr Fuller and Mrs Doig will be available on Friday 25th August in school between 9am-12pm.
