

Kesteven & Grantham Girls' School

Inspire, Challenge, Achieve

An Outstanding Selective Academy

Headteacher: Mr J Fuller

Dear Parent/Guardian,

December 2023

Please can you help us?

Work experience is a valuable opportunity for our students to gain a realistic view of what employment is like day-to-day. It helps to confirm vocational choices as well as furthering understanding of the importance of transferable employability skills and increasing commercial awareness. It makes our students more attractive to future potential employers and higher and further education institutions.

To ensure that we are able to assist our students in finding useful, informative placements we are asking for your help. Are you or your employer able to offer a placement to any of our students please?

This year, to facilitate our Year 12 students having the opportunity to take advantage of all the benefits without missing curriculum time at school we have dedicated the last three days leading up to May half term to work experience (22nd, 23rd and 24th May 2024). We are very keen to try to encourage every student to make the most of this time.

If you think that you might be able to help, please could you spend a couple of minutes completing this form <https://forms.office.com/e/y8YG7xrMdb>. There is a live link to it on our website under careers if you find this easier.

Thank you.

Mrs S Macpherson
