Dear Parents/Guardians

Year 9 GCSE Information Evening Thursday 11th January 6-7.30pm

You are invited to attend our Year 9 GCSE Information Evening on Thursday 11th January from 6pm to 7.30pm. There will be a presentation in The Roberts Hall at 6pm after which staff will be available in their subject areas to discuss GCSE courses.

The Heads of Faculties from the core subjects English, Maths and Religious Education will be in the Old Hall should you wish to discuss anything with them. Science will be in S12 for you to discuss your recommendation should you wish.

If possible, please would you visit the following subject areas in the following order in order to prevent serious congestion in the subject rooms, allowing you a better chance of being able to speak to the subject specialists and their student helpers?

Please contact the school if you have any additional access needs. For safety reasons the school car park gates will be closed for Information Evening. The nearest parking is available at Welham Street Car Park which is a five minute walk away from school. We have had many complaints from our parents and members of the public as, on these busy occasions, cars are parked on the pavements on both sides of Sandon Road which has meant that sometimes wide vehicles have not been able to get through. Therefore, if you choose to park near school please park safely and legally. We have been informed that parking will be monitored by the Police.

We look forward to seeing you on this evening.

Yours sincerely

Miss A Day
