

April 2024

Higher Education Information Evening for Parents and Carers 2024

Dear Parent/Carer

Our Year 12 students are about to start the process of investigating their post-18 options with us at school. On **Tuesday 30th April at 6pm**, we will be holding a higher education information evening specifically targeted at parents and carers to give you the information you need to support students who are considering going through this process for university entry for September 2025.

The presentations delivered will focus on four key topics:

- The higher education landscape
- The role of predicted grades and how they are determined at KGGS
- The UCAS application process
- Student finance (delivered by The University of Leicester Outreach)

We anticipate that the evening will end at around 7.30pm and there will be an opportunity after the presentations for you to ask questions.

We particularly recommend that parents who have not assisted a student through this process in recent years attend this event. Students are welcome to attend.

We look forward to welcoming you,

S.P. Macpherson

Mrs S Macpherson
Assistant Headteacher
Post 16 Education and Welfare

J. McCabe

Mrs J McCabe
Head of Year 12

The nearest car parking is available at Welham Street Car Park, a five minute walk away. Please park safely and legally and consider our neighbours and other road users. If you have additional access needs, please contact the school's main reception as soon as possible.
