Definitions

Retained - The percentage of students who complete their main programme of study. Introduced in 2016.

Retained for second year (level 3 only) - The percentage of students who return and complete a second year, completing an aim of size equivalent to at least one A level. Introduced in 2017.

Retained and assessed - The percentage of students who complete their main programme of study and are assessed at the end of their course. Introduced in 2017.

Notes: Learner's core aims are the substantive qualifications being undertaken in a student's programme. Level 2 qualifications are a 1 year qualification. For more information on core aims and retention measures see guidance on GOV.UK. Not retained is the number of learners who were not retained.
